UNIVERSAL PLASTIC INDUSTRIES

Our Products

Our products set themselves apart with their functionality, safety and thoughtful design. Each of our products is highly durable, environment-friendly and user-friendly.

Cleaning Chemical Bottles

Cleaning chemicals have been a required industry for a good reason. We produce 100% Virgin HDPE, LDPE, PET Bottles in different shapes and Sizes. Starting from 50ml upto 25 Liters

Disinfectant Bottles

PET plastic disinfectant bottles with trigger sprayers and plastic pumps bottles are produced in different sizes starting from 50 ml to 2 Liters. Safe for all types of chemicals and liquid 

Juice Bottles

Our PET plastic bottles are perfect for bottling your fresh juices, cold brew coffee or to-go cocktails. They are crystal clear to show off the beauty of your product, shatter-resistant and BPA-free. Plus, they are made of 100% food grade material. 🍹

Cannisters

A wide range of cannister containers are designed for everything from ingredients for dinner to leftovers for tomorrow's lunch. Many of our food containers are transparent so you can see what's inside. We've got it all at Best quality and safe for food contact. 🍽️

Bespoke & customization

We provide the design and mould manufacturing for any bottle shapes and application subject to customers demands and designs.
